Two Days Workshop Report

Title	: Electrical Auto-Cad
Expert Speaker	: Mr. Sandip Zagade INFO AUTOTECH INDIA BARAMATI
Date of Conduction	: 29/2/2024 To 01/01/2024
Conducted Time	: 9:30 AM to 4:30 PM
Venue	: Electrical Computer Lab, SMSMPITR, Akluj

Detailed Information of Expert Lecture:

Figure 1: Expert's Introduction and Felicitation

Executive Summary:

The Two days workshop titled "Electrical Auto Cad in Electrical Engineering" conducted by Mr.Sandip Zagade Sir on 29/01/2024 To 01/03/2024 at the Electrical Computer Lab was an exceptionally informative and engaging session. The workshop aimed to bridge the gap between theoretical knowledge and practical application, emphasizing the use of AutoCAD software in creating accurate and professional electrical drawings. The Workshop was organized by the Electrical Engineering Department (Diploma), SMSMPITR, Shankarnagar - Akluj, with the objective of enhancing participants' proficiency in this critical aspect of the industry.

Purpose of Workshop:

The purpose of the Electrical Auto-Cad workshop is to provide participants with a comprehensive understanding of Auto-Cad software as applied to electrical design and drafting. The workshop aims to equip participants with the necessary skills and knowledge to efficiently create, modify, and manage electrical drawings using Auto-Cad. It seeks to bridge the gap between theoretical knowledge of electrical design principles and the practical application of these principles using a powerful computer-aided design (CAD) tool.

Agenda:

Introduction to the Expert:

The session commenced with a comprehensive introduction of Mr. Sandip Zagade Sir, highlighting his extensive experience and expertise in the domain of Electrical engineering.

Overview of ECAD Designing Softwares:

Mr. Sandip Zagade Sir provided an in-depth overview of the advanced designing software used in the field, emphasizing their relevance and impact on mechanical engineering projects.

Demonstration and Hands-on Session:

The workshop included a practical demonstration of key features and functionalities of prominent designing software, allowing participants to gain firsthand experience.

Interactive Workshop:

Participants were encouraged to actively engage in the session by asking questions and sharing their experiences with designing software. This interactive segment provided a valuable platform for knowledge exchange.

Q&A and Closing Remarks:

The session concluded with an engaging question and answer segment, where Mr. Sandip Zagade Sir addressed queries and provided additional insights. Closing remarks summarized the key takeaways from the lecture.

Participant Feedback:

The workshop received overwhelmingly positive feedback from the participants. Some of the comments included:

- "The workshop provided a comprehensive overview of the latest designing software, and the hands-on session was incredibly helpful."
- "I now feel more confident in using advanced software for designing in my Electrical engineering projects."
- "Mr. Sandip Zagade Sir demonstrated a profound understanding of the subject matter, making complex concepts easily understandable."

The expert workshop delivered by Mr. Sandip Zagade Sir on Electrical Auto-Cad Software's in Electrical Engineering was a resounding success, providing participants with invaluable insights into the cutting-edge tools shaping the industry. The engaging presentation style and interactive format made the session both informative and enjoyable. We extend our heartfelt thanks to Mr. Sandip Zagade Sir for his invaluable contribution.
